Feast of St. Michael the Archangel - November 8

The Feast of the Archangel Michael and the holy Angels indicates to us the significant role the Angels play in our salvation. Before the Lord God created man, He created the holy Angels who are invisible, immortal, perfect beings and pure spirits. Throughout our lives, our guardian angel watches over us, protects us, inspires us, warns us against sin, and intercedes for us before God. From this comes our duty to venerate the holy Angels, to praise them, and to thank them every day for their assistance and protection. The praise of Saint Michael stems from the fact that in defense of God's glory he led all the good angels against the rebellion of Satan (Revelations 12:7-9). He is depicted both as a military leader clad in full armor and as a minister wearing the deacon's sticharion.

День Архангела Михаїла

Відповідно до Писання, Архангел Михаїл був першим, хто став на захист Бога, коли проти нього повстав Сатана. Церква шанує його як захисника і борця зі злом і несправедливістю. Найчастіше, до Архангела Михаїла звертаються з молитвами про допомогу, підтримку, зцілення і про захист. Відомо багато молитов, які допомагають донести свої проблеми і прохання до посланника Божого.

Молитва до Святого Архангела Михаїла

Великий Архистратиге Божий, Михаїле, переможцю демонів і бісів, перемагай і знищ всіх цих моїх ворогів - видимих і невидимих. Випроси у Господа Вседержителя Ласку: нехай Він спасе, зцілить і збереже мене від всілякої хвороби й недуги, від смертоносної рани і від наглої смерті - сьогодні, і повсякчас, і на віки вічні. Амінь
