Celebrating Laudato Si' - May 24th - June 18th

Laudato Si' - the Papal Encyclical of our Holy Father, Pope Francis about Care for God's Creation, was dated May 24, 2015 and released June 18, 2015 to the public. Each year during this time we reflect more deeply on these words Pope Francis share with us through ***Laudato Si'***. Watch this YouTube reflection on "***A Prayer in Union with Creation***": <https://youtu.be/4GzKZXxerE4> "Father, we praise you with all your creatures. They came forth from your all-powerful hand; they are yours, filled with your presence and your tender love. Praise be to you!"

Vesna Festival is hoping to be back in 2022 but we need the support of our community to ensure that we can continue to share and showcase our amazing Ukrainian culture. We pride ourselves in giving young dancers, singers, musicians, artists and others a chance to show off their talent. We hope you value this as well and will considering as little as \$10 or as much as you want.

We're looking for donations big and small. Thank you in advance for your support and ensuring that our 45-year-old Festival is able to continue into the future beyond the pandemic. Vesnafestival.com for quick and easy donations through canadahelps.org who also issues emailed tax receipts. Thank you!
