Re-Opening Roadmap: A Gradual, Measured Approach to Easing Public Health Measures

*Released on May 4, 2021*

### ***Three-Step Plan Will Move Forward as Province Reaches Vaccination Targets***

The Government of Saskatchewan today released the "Re-Opening Roadmap" - a three-step plan to gradually lift current public health restrictions as Saskatchewan reaches significant vaccination levels. The Re-Opening Roadmap also provides Saskatchewan people with an incentive to continue following public health measures and a clear reason to get vaccinated.

#### **Step One:**

Step One of the re-opening roadmap will commence three weeks after 70 per cent of residents age 40 and above have received their first dose, and once vaccine eligibility has opened to all adults age 18 and older across the province.

Step One will see the cautious easing of public health measures across the province, including bringing Regina and the surrounding communities in line with public health orders that apply to the rest of the province. Changes to public health orders in Step One will include:

- ◆ Restaurants and bars open, maximum of six at a table, two metres or structural barriers between tables, dance floors and buffets remain closed, VLTs may re-open;
- ◆ 30 per cent of capacity or 150 people, whichever is less, at places of worship, with physical distancing between households;
- ◆ Group fitness classes involving intense training, like aerobics and spin, can resume, with three metres between participants;
- ◆ Current restrictions remain in place for retail, personal care services, event facilities, casinos, bingo halls, theatres, art galleries, libraries and recreational facilities;
- ◆ Current protocols remain in place for primary, secondary and post-secondary education and for childcare;
- ◆ Limit of 10 people at private indoor and outdoor gatherings, including household gatherings;
- ◆ Limit of 30 people at public indoor gatherings;
- ◆ Limit of 150 people at public outdoor gatherings; and
- ◆ Current province-wide masking mandate remains in place.

#### **Step Two:**

Step Two of the re-opening roadmap will commence three weeks after 70 per cent of residents age 30 and above have received their first dose, with at least three weeks passing since the commencement of Step One. Public health measures in Step Two are planned to be eased as follows:

- ◆ No capacity thresholds on retail and personal care services, must maintain an occupancy that allows for physical distancing;
- ◆ Restaurants and bars will have no table capacity thresholds, must maintain two metres of physical distancing or structural barriers between tables, dance floors and buffets remain closed;
- ◆ 150 person maximum capacity at event facilities, casinos, bingo halls, theatres, art galleries,

libraries and recreational facilities, must maintain an occupancy that allows for physical distancing, restaurant guidelines apply at venues that serve food;

- ◆ No change from Step One at gyms and fitness facilities, primary, secondary and post-secondary education and childcare;
- ◆ All remaining restrictions on youth and adult sports will be lifted;
- ◆ Limit of 15 people at private indoor gatherings, including household gatherings;
- ◆ Limit of 150 people at public indoor gatherings and private and public outdoor gatherings; and
- ◆ Current province-wide masking mandate remains in place.

### Step Three:

Step Three of the re-opening roadmap will commence three weeks after 70 per cent of residents age 18 and older have received their first dose, with at least three weeks passing since the commencement of Step Two.

In Step Three, most remaining restrictions will be lifted. Guidance on gathering sizes and indoor masking will be developed based on the progress of the first two steps. Public health orders from Step Two on gathering sizes and indoor masking will remain in place until that guidance is finalized.
