Dear Parishioners,

It is with excitement, that the Cathedral Maintenance Committee, announces the beginning of the **Cathedral Stair Campaign!**

The maintenance committee has been working hard determining the extent of the damage to the stairs and what the appropriate course should be to remedy the situation. After consulting with various people who have experience and knowledge in construction and specifically in concrete construction, the Committee has recommended to Parish Council that a full replacement of the entrance stairs is the best course of action.

The next steps will be to get a design complete based on the maintenance committee recommendations and getting quotes from several contractors to do the work.

While this may take some time, Parish Council would like to start raising funds for this task as soon as possible. The maintenance committee suggests due to the scale of the project, the current projected budget is approximately \$40,000. This is just an estimated budget for now and will be refined as the design is finalized and quotes for the work can be obtained. The goal will be to complete this project late summer 2022

The Maintenance Committee would like to thank you for your patience with the condition of the front stairs and encourages everyone to give as much as they can to help restore the beauty of our Cathedral entrance as soon as possible.

Cathedral Maintenance Committee,

Fr. Janko Kolosnjaji, Bernie Bodnar, Mike Luczka, Ed Rogalsky, Dura Seman, Adam Nahachewsky

GIFTS FOR CHILDREN OF GUADALUPE PARISH

We are once again asking your assistance in providing Christmas gifts for the children of our neighbours and friends at Our Lady of Guadalupe parish.

Our Ukrainian church of St. George and the First Nations and Metis Nation church of Guadalupe have been on a unique journey of peace and reconciliation together for over five years, and for most of those years, your Christmas generosity has brought Christmas joy to children who might not have received any Christmas gift were it not for you.

In upcoming Bulletins and by speakers at our Divine Liturgy, we will provide more details about how you can donate money or wrapped gifts. The intention is, as in past years, to have tags on a Christmas tree at the front of the altar. Each tag will identify the age and gender of a child, and you can take as many tags as you wish. On the following Sunday, you would place your wrapped gift and the matching tag under our Christmas tree.

Teresa Bodnar Hiebert, our Deputy Co-Chair for Guadalupe, and Caitlin Ward, the in-coming Chair of our Social Justice Committee, will be leading us in this important Christmas undertaking. Please support them in their efforts on our behalf.

Through your generosity and the spirit of Christ among us, thank you for helping us to bring Christmas joy to the children of Guadalupe parish.

Sincerely,

Provide the gift of warmth this season! Giving Tuesday — an international day of giving — is three weeks away. **On Nov. 30, we're asking all people of goodwill to join us in raising funds to support the Knights of Columbus Coats for Kids program.**

Last year, through the generosity of our donors, we raised \$1 million. Every dollar goes towards purchasing coats that the Supreme Council will distribute to children in need. While most of us go to the closet to grab our winter coat, remember that many children lack this basic necessity. These children desperately need our help. Will you please help us keep these kids warm?

Please mark your calendar for Giving Tuesday on Nov. 30. We understand if you are unable to give, but you can still help by sharing this message with your family, friends, and local community.

DONATE NOW

Sincerely, Patrick Diener, Director, Knights of Columbus Charities

In order to assist communities, businesses and organizations with managing the pandemic, the Saskatchewan Health Authority has designed a "Community Champions Toolkit". The toolkit contains self-service tools for addressing common communications needs related to COVID-19 vaccines and immunization. These resources will help provide valuable information and guidance necessary for managing COVID-19 at the local level. It is our hope that by providing a centralized set of resources we can help mitigate misinformation and assist communities to implement consistent practices and communication.

The Community Champions Toolkit has been updated with additional resources related to Proof of Vaccination. Resources include:

Sample Vaccination Policy Templates
