Prayer of St. Ephraim

O Lord and Master of my life, do not permit me the spirit of laziness, despair, lust of power, and idle talk. But give, rather, the spirit of chastity, humility, patience and love to Your servant. O Lord and King, grant me to see my own transgressions and not to judge my brother, for blessed are You unto ages of ages. Amen.

Молитва св. Єфрема

Господи і Владико життя мого! Духа лінивства, недбайливости, властолюб'я і пустомовства віджени від мене. Духа чистоти, покори, терпеливості й любови даруй мені, слугі твоему. Так Господи, Царю! Дай мені бачити гріхи мої і не осуджувати брата мого, бо ти благословенний на віки вічні. Амінь.

Understand, Manage & Reduce the Risks of Arson: Protect Your Place of Worship

In Wetaskiwin, Alberta, an arsonist set fire to two churches in as many nights; he admitted to burglarizing both and setting the fires to cover his tracks.

In Scarborough, Ontario, an arsonist, thought by the police to be politically motivated, struck a Buddhist temple twice in one year; monks reported that they had received prior threats.

In Hamilton, Ontario, fire damage was kept to a minimum when an incendiary device was discovered at a mosque; the incident followed threatening phone calls and an act of vandalism.

In southwestern Ontario, two churches were significantly damaged by fire under 'suspicious circumstances' on the same night, seven kilometers apart.

Arson continues to be the leading cause of fires affecting Canadian places of worship, with up to 50 incidents a year across the country. It is a frightening and potentially devastating crime and when it occurs at a place of worship, the physical and emotional damages can be enormous. Damages can include the total or partial destruction of a heritage building; irreparable damage to furnishings, stained glass windows or other unique architectural elements; the destruction of invaluable religious items; and the temporary, or even permanent, loss of a community's consecrated place to congregate. It is a sad fact that Canadian places of worship must be more vigilant than ever before and make a concerted effort to face this issue head-on.

Why are places of worship vulnerable to arson?

Whether they are located in isolated, rural locations or in inner city neighbourhoods, places of worship are frequent targets for arson. Among the reasons:

Places of Worship Attract Professional Thieves

Professional thieves may want to steal valuable artwork or antiques. There is growing international demand for religious artifacts and stolen items command large sums on the black market. These criminals often start fires to hide the evidence of theft.

Places of Worship Attract Petty Criminals

Petty thieves view places of worship as "soft targets" since they are often empty and have less sophisticated security than commercial establishments. Petty criminals often break into places of worship to steal items that can be readily converted to cash. These include computers, musical instruments, television sets and other electronic equipment. Again, fires are started to cover tracks.

Наш Спів - Молитва для українського народу Our Songs – Prayers for Ukraine

В нашому церковному співнику є кілька гімнів які споминають український народ і глибоку віру українських людей. Що можемо робити в цей тяжкий час? Ми можемо молитися, а наш спів – це молитва. Якщо хочете співати з нами і одночасно молитися за Україну, залишіться в церкві 30 хвилин після св. Літургії сьогодні (13 березня). Надіємося що наші пісні полинуть до братів і сестер в Україні.

Порядок українських гімнів: стор. 2 (прикінці св. Літургії); тоді стор. 7, 11, 13, 192, 198, а на сам кінець, стор. 10.

Our church songbook has several hymns that offer prayers for Ukraine, a nation connected to us through our history, faith, family, and heritage. What can we do at this difficult time? We can offer our prayers through these hymns, in the hope that our voices reach Ukraine, its brave soldiers, wounded families, refugees, and volunteers. If you are able, please stay in church for an extra 30 minutes to sing
