Cathedral Front Entrance- Update

Thank you for your patience and concern over this past while.

The delay in start of new construction to replace the front entry stairs is being hampered by supplier and mostly labour short-age, being experienced across Canada since late 2020. Engineering of the replacement stairs has been completed in mid August by Topping Engineering. The design consists of precast concrete stair treads together with cast in place concrete support walls.

The precast manufacturer is requiring 8–10 weeks for the manufacture of the precast elements. The delivery and installation of the precast stair elements will be postponed to early spring 2023 when the weather becomes more favorable for construction. This schedule delay is being taken to preclude the additional costs of cold weather construction.

In the short term, construction of stair support walls will be completed before mid November 2022.

This will allow the installation of precast stair elements, related concrete grouting, and installation of new perimeter stair railings to commence as soon as the weather becomes favorable in spring 2023.

Thank you for your generous donations to date. We ask for your understanding to endure a further 7/8 months of using the Rectory and Cathedral North entrances.

2022 Greetings to Catechists

Dear Catechists:

...Jesus was transfigured before them (Mt 17: 1)

Glory be to Jesus Christ!

I greet all of you as we begin a New Catechetical Year! I express my gratitude to you on behalf of all the bishops and pastors of the Church for your beautiful ministry.

These are troubling times especially for our faithful in Ukraine as they endure a war inflicted upon them by a foreign aggressor. These are not easy times. We pray for strength and courage. We pray for peace.

As we begin a New Church or Liturgical Year, the Feast of Our Lord's Transfiguration, which we recently celebrated, can serve as a source of inspiration and orientation.

We read in Matthew's Gospel: "At that time, Jesus took with him Peter and James and his brother John and led them up a high mountain, by themselves. And he was transfigured before them, and his face shone like the sun, and his clothes became dazzling white" (Matthew 17: 1-2).

Jesus is one and the same time truly divine and truly human. At his transfiguration, Jesus masked his humanity – his human body, and revealed his divinity to Peter, James and John so that when it came time for passion and death upon the Cross, the disciples would be strengthened when Our Lord would voluntarily endure his sufferings.

But there's much more to the story.

Jesus takes upon himself our humanity that we might take upon ourselves Jesus' divinity. We, who are created in the image and likeness of God,

carry within our very own genes the capacity to become holy, that is, to resemble God's goodness.

Think of it in terms of Disney's "Beauty and the Beast," based upon an age-old tale where young Belle is taken prisoner by a beast in his castle. In time, and with the help of the castle's staff, Belle is able to look beyond the beast's ugly exterior and instead see the kind heart and soul of the true prince inside. The two then fall madly in love one with the other.

In the Bible's telling of the same story, when Adam and Eve try to take the place of God, but without God, they are expelled from the Garden of Eden. Their true self is disfigured and they are forced to cover themselves with a foreign garment, "leaves" according to the Sacred Scriptures. Adam and Eve's true nature becomes unrecognizable, becoming like the Beast in "Beauty and the Beast."

Yet God never abandoned Adam and Eve. God never abandons us. God sees beyond our sinful nature, recognizing the kind heart and soul of the true prince and princess that each of us truly are, just as God created us from the very beginning.

You see, our Lord's transfiguration is a foreshadowing of our very own transfiguration. Our original beauty has been restored. Through Our Lord's sacrificial love on the cross, we have been transfigured from the Beast into Beauty. Thank you Jesus for this incredible gift.

As we begin a New Catechetical Year, may we be inspired by Belle's journey, which led her to discover the prince within the beast, may our journey draw us nearer to Christ through prayer, kindness and love, where our true beauty of being made in the image and likeness of God may shine forth for the whole world to see!

God's blessings to all!

Chair, Patriarchal Catechetical Commission
Eparchy of Edmonton
