CYLA is a leadership training program based on the Salesian program called Animating, We Learn. Educational Tools for Young Animators (Salesian program of St. John Bosco), developed by Marco Durando & Alberto Martelli. This program has been adapted for our Canadian youth and our Byzantine Ukrainian Catholic faith.

Our Goals Are:

To form young leaders who will serve our parishes, camps, and places of need.

To evangelize and form missionary disciples who will inspire and courageously profess their Faith.

To equip them with the knowledge of our Byzantine Ukrainian Catholic tradition (based on the UGCC Catechism "Christ - Our Pascha")

To build a unique inspiring community of young people who love Christ and want to follow the footsteps of the missionary spirit of Holy Mary.
