MY WEEK IN REVIEW Friday to Friday

Glory be to Jesus Christ!

Cathedral: It was nice to reconnect and pray for and with the family at a 40-day service. This week also was highlighted by a wedding. The rehearsal, ceremony and reception were all beautiful. The rectory was purged of a truck and trailer load of things that needed recycling. I am only 168 email behind now, which is great progress from two months ago. Thursday was very full with meetings and office work and much was accomplished. **Eparchy:** Our condolences go out to Fr. Basil and Fr. Jeffrey as they bury their mother and mother-in-law. Planning the extra weekend for Meacham demolition was not expected and I am doing it out of necessity, but I wish we were finished already. Pray for safety and completion for this project. **Personal:** It was my first time at BN Steel and Metals and I will go again soon with the Meacham recycling. Debbie and I did some more planning for our holiday in Newfoundland while having lunch together on Sunday after church. Dore Lake was half beautiful and half not as smoke, rain and wind were part of the trip. I personally did not catch a fish, but I did bring a big one to the boat before the line snapped. The company and food were great and the break from the office was timely. In your service, Fr. Ivan

ОГЛЯД МОГО ТИЖНЯ з п'ятниці до п'ятниці

Слава Ісусу Христу!

Катедр: Було приємно відновити зв'язок і помолитися за сім'ю та разом із нею під час богослужіння на 40 днів. Також цей тиждень ознаменувався весіллям. Репетиція, церемонія та прийом були прекрасними. З будинку священика було забрано цілу вантажівку та причіп речей, які потребували переробки. Зараз я відстаю лише на 168 електронних листів, що є великим прогресом, ніж два місяці тому. Четвер був дуже насичений зустрічами та офісною роботою, і багато чого було досягнуто. **Спархія:** Співчуваємо о. Василю та о. Джефрі, бо вони хоронять маму і тещу. Планування додаткових вихідних для знесення церкви у Мічемі не очікувалося, і я роблю це через необхідність, але хотілося б, щоб ми вже закінчили. Моліться за безпеку та завершення цього проекту. **Особисте:** це був мій перший раз у BN Steel and Metals, і я незабаром повернуся з речами на переробку з Мічему. Ми з Деббі вже трохи планували нашу відпустку в Ньюфаундленді, обідаючи разом у неділю після церкви. Озеро Дор було наполовину красивим, а наполовину ні, оскільки дим, дощ і вітер були частиною подорожі. Особисто я не зловив рибу, але я приніс велику рибу до човна, перш ніж волосін обірвалася. Компанія та їжа були чудові, а перерва від офісу була вчасною. До Ваших послуг, о. Іван
