MY WEEK IN REVIEW

Glory be to Jesus Christ!

Pastoral: I prayed with the family of Jason who died on our street last week. We prayed on the spot where he died. We baptized Anna Mai. Catechists gathered for planning and this week they will gather for a 5 hour retreat. Please pray for us so that we can help our children, youth and young families to encounter the living Christ! Then I spent more time on catechist planning with Olha Matsiakh, who will be this year's coordinator. The Prayer and Praise event was gentle and holy. Congratulations to the Galilea Community.

Administration: I did tons of emails before liturgies this week. For the Eparchy we had interviews for the office administrator position. Thank you to those who applied. The Eparchy will be announcing the successful candidates once they start working. Grant fund meeting was held to refine the policy for next year's giving money to parishes.

Personal: Met on-line with my Costa Rican friends. The house inspection passed, the fire pit was removed and we are two steps closer to selling our house. While we were away we hired a painter (seminarian Marko from Toronto Eparchy) to paint the rectory. We are enjoying the bold colors. Some day you should come over and see.

In your service, Fr. Ivan

ОГЛЯД МОГО ТИЖНЯ

Слава Ісусу Христу!

Пастерське: Минулого тижня я молився з родиною Джейсона, який помер на нашій вулиці. Ми молилися на місці, де він помер. Ми охрестили Анну Май. Катехити зібралися для планування, і цього тижня вони зберуться на 5-годинну реколекцію. Будь ласка, моліться за нас, щоб ми могли допомогти нашим дітям, молоді та молодим сім'ям зустріти живого Христа! Потім я присвятив більше часу плануванню катехизму з Ольгою Мацях, яка буде цьогорічним координатором. Захід «Молитва та хвала» був лагідним і святим. Вітаю спільноту Галілея.

Адміністративне: Цього тижня я надіслав купу електронних листів перед літургіями. Для єпархії ми провели співбесіди на посаду адміністратора офісу. Дякуємо тим, хто подав заявки. Єпархія оголосить успішних кандидатів, як тільки вони почнуть працювати. Було проведено зустріч з питань грантового фонду для уточнення політики щодо надання коштів парафіям наступного року.

Особисте: Зустрівся онлайн з моїми друзями з Коста-Рики. Огляд будинку пройшов, вогнище було прибрано, і ми на два кроки ближче до продажу нашого будинку. Поки нас не було, ми найняли маляра (семинариста Марка з Торонтської єпархії), щоб розмалювати будинок священника. Нам подобаються сміливі кольори. Колись вам варто прийти і подивитися. До Ваших послуг, отець Іван

RECTORY AND CATHEDRAL OFFICE ROOF PROJECT

The rectory and cathedral office buildings consists of multiple roofs in order to cover a large footprint. The roof area that is directly above the west entrance to the cathedral office is much lower than the roofs to the north and south of the cathedral entrance roof. This lower roof area is subject to significant snow drift buildup which contributes to consequential damages to the building. This accumulation of snow above the lower roof area is subject to numerous cycles of freeze and thaw that creates ice dams at the lower west edge of the lower roof. This ice damming has progressively caused damage to the building cladding and perhaps even some amount of damage to parts of the underlying roof.

In an effort to reduce the extent of damage to the building over the lower roof area, workers are required following heavy snow falls to access this roof area and hand shovel the snow off of the roof. This is both dangerous and timely work.

Total estimated cost of the above remedial work, including all applicable taxes is \$21,600. Please consider providing a donation specific to the cost of the Rectory-Cathedral Office Roof Project. Project envelopes coming soon.
