MY MONTH IN REVIEW

Glory be to Jesus Christ!

Pastoral: Pastoral Council of the UGCC in Rome – How can we support the family? Vocations director Conference – How do we awaken vocations? 5 home/hospital visits, I concelebrated at 4 Roman Catholic Masses. In Rome we had liturgy every day including one in a chapel of the crypt of St. Peter's Basilica. Pope Leo blessed our Pastoral Council by joining us in a photograph. Blessing for the opening of the Plast Saskatoon year. Blessing of catechists and much preparation for the first day of classes. National Congress of UCWLC and UCBC.

Administration: meetings with: Bishop Michael, Catechism coordinator, catechist phone calls, College of Consultors, Clergy Conference, Altar Server planning and King of Mercy prayer Group.

Personal: Debbie and I had a week of holidays in Rome. We walked hand-in-hand for 10-15 kms each day. We went to St Sophia pro-cathedral where we renewed our marriage commitment before the iconostas because 40 years ago we kissed copies of those same icons at the blessing of the parents at our wedding. We visited Sr. Georgia at the home of the SSMI. We also had an accidental visit with several Sisters of Saint Joseph who were leading a Jubilee Year Pilgrimage from Ukraine (all women and one young boy).

Finally, we acknowledge the sentencing of Fr. Janko. There are a wide variety of reactions from the community and the faithful. This is a time for gentle reflection rather than emotion packed expression of opinions. Be sure that prayer is part of your response. In your service, Fr. Ivan

ОГЛЯД МОГО МІСЯЦЯ

Слава Ісусу Христу!

Пастерське: Пасторальна рада УГКЦ у Римі – Як ми можемо підтримувати сім'ю? Конференція директорів з питань покликань – Як нам розбудити покликання? 5 візитів додому/лікарні, я співслужив на 4 римо-католицьких месях. У Римі ми щодня мали літургію, включаючи одну в каплиці крипти базиліки Святого Петра. Папа Лев благословив нашу Пасторальну раду, приєднавшись до нас на фото. Благословення на відкриття року Пласту Саскатун. Благословення катехитів та велика підготовка до першого дня занять. Національний конгрес UCWLC та UCBC. **Адміністративне:** зустрічі з: єпископом Михаїлом, координатором катехизму, телефонні дзвінки до катехитів, колегія консультантів, конференція духовенства, планування вівтарної дружини та молитовна група Царя Милосердя.

Особисте: Ми з Деббі провели тиждень канікул у Римі. Ми ходили, взявшись за руки, по 10-15 км щодня. Ми відвідали прокатедральний собор Святої Софії, де поновили наші шлюбні зобов'язання перед іконостасом, бо 40 років тому ми цілували копії тих самих ікон під час благословення батьків на нашому весіллі. Ми відвідали сестру Джорджію в домі Сестер Служебниць Непорочної Діви Марії. Ми також випадково зустрілися з кількома Сестрами Святого Йосипа, які проводили паломництво з України на честь Ювілейного року (всі жінки та один маленький хлопчик).

Нарешті, ми знаємо вирок отцю Янку. Існує широкий спектр реакцій з боку громади та вірян. Це час для м'яких роздумів, а не для емоційного висловлення думок. Переконайтеся, що молитва є частиною вашої реакції. До Ваших послуг, отець Іван

RECTORY AND CATHEDRAL OFFICE ROOF PROJECT

The rectory and cathedral office buildings consists of multiple roofs in order to cover a large footprint. The roof area that is directly above the west entrance to the cathedral office is much lower than the roofs to the north and south of the cathedral entrance roof. This lower roof area is subject to significant snow drift buildup which contributes to consequential damages to the building. This accumulation of snow above the lower roof area is subject to numerous cycles of freeze and thaw that creates ice dams at the lower west edge of the lower roof. This ice damming has progressively caused damage to the building cladding and perhaps even some amount of damage to parts of the underlying roof.

In an effort to reduce the extent of damage to the building over the lower roof area, workers are required following heavy snow falls to access this roof area and hand shovel the snow off of the roof. This is both dangerous and timely work.

Total estimated cost of the above remedial work, including all applicable taxes is \$21,600. Please consider providing a donation specific to the cost of the Rectory-Cathedral Office Roof Project. Project envelopes coming soon.
