MY WEEK IN REVIEW

Glory be to Jesus Christ!

Pastoral: One baptism, Funeral prayers and service, marriage prep, a different funeral prep, vocation discernment discussion and an adult catechism. 6 house visits. I felt like a priest this week. In one day I facilitated 5 sacraments.

Administration: meetings with: Bishop Michael, Altar Server planning, IT support, Sacristy organizing, diaconate program. Prepared for the Blessed Fr Emilian project sermon. We held our first Catechism class and I had a meeting with all the parents.

Personal: Debbie is still not feeling well and the Doctor told her to spend more time resting. Preparing for Remembrance Day is a big deal for a chaplain of the military, especially because we include many multi-faith leaders. I was blessed to receive and give away a big beautiful dining room table. I love having the trust of so many friends. Speaking of trust it is a great honor to be trusted by people to be involved in funeral planning. These most delicate and emotional moments are when I am invited and consulted and it is a privilege every time. Thank you for your trust. **New idea:** Is Canada the foreign country where we now live or is it our new land? There is a moment when these realities meet. It is sometimes subtle, but it is sometimes a very conscious decision. To accept Canada as your new country does not mean that you abandon the country of your birth. There are some events that bring this question into focus. Where should I baptize my child, where should I bury my loved one, who should I marry and where should my wedding be held? Should I rent or buy a house? May God bless all your decisions. In your service, Fr. Ivan

ОГЛЯД МОГО ТИЖНЯ

Слава Ісусу Христу!

Пастерське: Одне хрещення, молитви та похорон, підготовка до шлюбу, інша підготовка до похорону, обговорення покликання та катехизм для дорослих. 6 візитів додому. Цього тижня я відчув себе священиком. За один день я провів 5 таїнств.

Адміністративне: Зустрічі з: єпископом Михаїлом, планування вівтаря, IT-підтримка, організація ризниці, програма дияконату. Підготовка проповіді до проекту блаженного отця Еміліана. Ми провели наш перший урок катехизму, і я зустрівся з усіма батьками.

Особисте: Деббі все ще погано почувається, і лікар сказав їй більше часу відпочивати.

Підготовка до Дня пам'яті - це велика справа для військового капелана, особливо тому, що до нас входить багато багатоконфесійних лідерів. Мені пощастило отримати та подарувати великий гарний обідній стіл. Я люблю довіру стількох друзів. Говорячи про довіру, це велика честь, коли мені довіряють люди, які беруть участь у плануванні похорону. Ці найделікатніші та найемоційніші моменти - це коли мене запрошують та радяться зі мною, і це щоразу привілей. Дякую за вашу довіру. **Нова ідея:** Канада — це чужа країна, де ми зараз живемо, чи наша нова земля? Є момент, коли ці реальності зустрічаються. Іноді це ледь помітно, але іноді це дуже свідоме рішення. Прийняти Канаду як свою нову країну не означає, що ви відмовляєтеся від країни свого народження. Є деякі події, які виставляють це питання на перший план. Де мені охрестити свою дитину, де мені поховати свою кохану людину, з ким мені одружитися і де має відбутися моє весілля? Чи варто мені орендувати чи купувати будинок? Нехай Бог благословить усі ваші рішення. До Ваших послуг, отець Іван

RECTORY AND CATHEDRAL OFFICE ROOF PROJECT

The rectory and cathedral office buildings consists of multiple roofs in order to cover a large footprint. The roof area that is directly above the west entrance to the cathedral office is much lower than the roofs to the north and south of the cathedral entrance roof. This lower roof area is subject to significant snow drift buildup which contributes to consequential damages to the building. This accumulation of snow above the lower roof area is subject to numerous cycles of freeze and thaw that creates ice dams at the lower west edge of the lower roof. This ice damming has progressively caused damage to the building cladding and perhaps even some amount of damage to parts of the underlying roof.

In an effort to reduce the extent of damage to the building over the lower roof area, workers are required following heavy snow falls to access this roof area and hand shovel the snow off of the roof. This is both dangerous and timely work.

Total estimated cost of the above remedial work, including all applicable taxes is \$21,600. Please consider providing a donation specific to the cost of the Rectory-Cathedral Office Roof Project. Project envelopes coming soon.
