MY WEEK IN REVIEW

Glory be to Jesus Christ!

Pastoral: Blessing playground at Bishop Filevich School, anointing of the sick and one house blessing. **Administrative**: UCFSask Harvest Gala, UBCB distribution of funds (thank you), NASHI conference, decommissioning of sacred items by burning, advising on framing an icon written by Theodore Baran for my chancery office wall, Collection of sacred items from Bruno Farm church, Study Days for the clergy: AI is a tool which can be used for evil, but also for good so go ahead but be careful. MAiD is always evil so we need to avoid it always. Catechist executive meeting, Altar server planning meeting, Catholic Health Conference had very good speakers on Palliative Care. **Personal**: I had my last physio. Military parade night and many phone calls. I listened to the motivational speaker Ryan Straschnitzki who was a survivor of the Bronco Bus Crash. He said something like this "If you want to reach for excellence, just keep showing up." 3 ½ days of conference attendance is too much in one week, but they were all interesting. Debbie's recovery is progressing well. She is tired and maybe a little bit bored. In your service, Fr. Ivan

ОГЛЯД МОЇХ ДВОХ ТИЖНІВ

Слава Ісусу Христу!

Пастерське: освячення дитячого майданчика в школі єпископа Філевича, помазання хворої та благословення одного будинку. **Адміністративне:** Гала-концерт з нагоди врожаю UCFSask, розподіл коштів БУКК (дякую), конференція NASHI, виведення з експлуатації сакральних предметів через спалення, консультації щодо встановлення ікони, написаної Т.Бараном, на стіну мого офісу, забір сакральних предметів з церкви у Бруно, навчальні дні для духовенства: штучний інтелект – це інструмент, який можна використовувати як для зла, так і для добра, тому продовжуйте, але будьте обережні. MAiD – це завжди зло, тому нам потрібно його завжди уникати. Зустріч катехитів, зустріч з планування роботи вівтарної дружини, на Католицькій конференції з питань охорони здоров'я були дуже хороші доповідачі з паліативної допомоги. **Особисте**: У мене була остання фізіотерапія. Вечір військового параду та багато телефонних дзвінків. Я слухав мотиваційного спікера Раяна Страшніцького, який вижив під час аварії автобуса у Бронко. Він сказав щось на кшталт: «Якщо ви хочете досягти досконалості, просто продовжуйте приходити». 3 ½ дні відвідування конференцій – це забагато за один тиждень, але всі вони були цікавими. Одужання Деббі йде добре. Вона втомилася і, можливо, трохи нудьгує. До Ваших послуг, отець Іван
